COMPANY STATEMENT OF ENVIRONMENTAL POLICY

Structural Renovations Limited recognises that its business activities interact with the environment in a variety of ways. These activities have an impact in the key areas of:

- Raw material use;
- Energy use;
- Generation of waste materials;
- Project work practices.

Structural Renovations Limited recognises that it has a responsibility to help protect the environment wherever it has an opportunity to do so, be a responsible neighbour and to provide a comfortable environment for its employees to work in.

As such, Structural Renovations Limited is committed to:

- Continual improvement in the environmental impact of its business activities;
- Improving the environmental benefits provided by the services
- Preventing pollution wherever possible;
- Complying with all relevant legal, customer, and other third party requirements;
- Adopting best practices applicable to its activities wherever it is practical to do so.

Structural Renovations Limited will achieve these commitments through the following means:

- The implementation and maintenance of an Environmental Management System that is independently certified as compliant with ISO 14001.
- Employing processes that identify the aspects of the Company’s business that have an environmental impact and quantifying the significance of each aspect. These will be available upon request.
- Setting objectives for reducing its environmental impact and maintaining an environmental performance improvement programme to enable them to be achieved.
- Ensuring that its employees, suppliers and customers are aware of any support required by them to support the Company’s commitments and environmental objectives.
- Training its employees in good environmental awareness and protection practices and encouraging employee involvement in environmental improvement initiatives.
- Continually monitoring the environmental impact of its business activities.

The implementation of this Environmental Policy is fundamental to the success of Structural Renovations Limited’s business and must be supported by all employees as an integral part of their daily work.

The service scope for Structural Renovations Ltd is: The structural repair and restoration of buildings infrastructure using specialist materials & techniques

This policy is publically available to interested external parties upon request.

CRAIG FARRAND
Managing Director
